RE: Follow-up 104(e) Request - Wyeth
Lower Darby Creek Superfund Site - Clearview Landfill, Folcroft Landfill
and Folcroft Landfill Annex

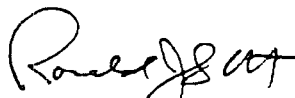

Dear Brian:

This correspondence will serve to confirm that USEPA has granted Wyeth an extension of time up to and including February 6, 2004 to file its response to the December 12, 2003 USEPA "Follow-up 104(e) Request - Wyeth" (the "Request"). This will also serve to confirm that the reference to "Sunoco" in the Request was in error and the intended focus of the Request is Wyeth.

If this is not in accord with your understanding, kindly advise us immediately.

Thank you for your assistance in this matter and if you have any questions, please feel free to contact me at your convenience.

Very truly yours,

Ronald J. Schott
